

MIAMI-DADE COUNTY CONTRACTOR COMPLAINT FORM

Date: _____

Dear Citizen:

The Contractor Licensing Enforcement Section of the Miami-Dade County Department of Permitting, Environment and Regulatory Affairs investigates complaints involving individual or companies performing construction Miami-Dade County.

In order to register your complaint, please complete the enclosed form and return it to the Contractor Licensing Enforcement Section located at 11805 SW 26th Street, (Coral Way), Room 230 Miami, FL 33175. If insufficient space is provided on the complaint form for any answer, please use a separate sheet. **Do not write on the reverse side of this form.**

All complainants must submit front and back copies of their contract and front and back copies of all canceled checks or receipts evidencing payment to the contractor at the time you file your complaint. In addition, please submit copies of any business cards or any advertisements used by the contractor or his employees that you have in your possession. Do not send original documents under any circumstances.

Upon receipt of the completed complaint form and accompanying documents, an Investigator will open a case file. Since the Investigator may have to contact you for additional information, please provide a telephone number where the Investigator can contact you during the day. When the investigation is complete and the Investigator has confirmed a violation of the contractor licensing laws, the Investigator will either issue tickets or notices of violation to the violator, initiate a case in criminal court through the State Attorney's Office or present the case before a committee of the Construction Trades Qualifying Board known as the Probable Cause Panel in order to initiate a formal disciplinary hearing.

Since investigations and cases vary in complexity duration and priority, a definite time frame cannot be given as to when the complaint process will be completed for any individual case. Further, because the Statute of Limitations establishes time limits within which you must assert a cause of action in court, please do not delay in consulting with an attorney or initiating any action to preserve your civil remedies in this matter.

Finally, you may have certain rights under Florida law if you have suffered damages caused by a state certified or registered contractor with whom you have a signed contract or if you hired a state certified contractor you may want to file a complaint directly with the state. Contact the State of Florida Department of Business and Professional Regulations for additional information at 850-487-1395.

Thank you for your cooperation.
